"Those who sow in tears will reap with songs of joy" Psalm 126:5

Greetings, in the name of Jesus Christ from Thailand. We would like to ask for you to pray with us for Thailand. Thailand is at the moment in a state of political instability, the people have come out and are protesting the government and are demanding the government to resign. We do not know what the outcome of these protests will be, whether it will be beneficial for the country or not, but please pray with us that God will be working in the hearts and minds of the leaders and those involved to be able to find a way out for Thailand without violence.

these two woman so that they may make the decision to accept Christ as their Savior.

We would like to thank the mission team for coming and for making the Bible conference possible as well as for sharing the word of God to the Lahu people who attended the conference, the people received much encouragement and blessings from your message. We thank you once again for coming and for the chance to be able to serve the Lord together.

Nong Khio Church

Nong Khio teenagers worshipping

Nong Khio village is quite a big village with approximately 900 families, because there are so many families in this village there are also a lot of teenagers as well. In the past a lot of the teenagers did not go to church and were involved in drugs. Seeing this ongoing problem with the teenagers, in the last year Nong Khio Church has set up a ministry in using music to draw these teenagers to come to church and worship. This ministry has been very successful over the past year, Nong Khio church now has many teenagers who come and worship. Upon seeing change in the lives of their children the parents of these teens also come to church and worship with their children. Nong Khio church now has an addition of twelve more families. Because of this addition to the congregation, Nong Khio church plans to extend their church building, the total cost for extending the church building is S\$2,800, the Nong Khio church has now managed raise S\$1,200 on their own but are still missing S\$1600. Please pray for Nong Khio church and this project.

The children of Suk jai are all doing well, even though the weather has been cold but God has been good and have kept the children in good health. The children are nearing the end of their second semester, next month the children will be having their final exams. Please pray for the children that they will receive wisdom from God so that they will do well on their exams. Pray also for God's continued protection of the children.

Mark translating for children's ministry

In the 25 years we have been serving God, Ruth and I have been praying for our sons. We have been praying and hoping that one day one of them will eventually take over the ministry when Ruth and I get older. We feel that God is answering our prayers as Mark my eldest son has decided to attend seminary. Over the years Mark has been helping me a lot in the ministry especially with the children. The seminary that he wants to attend is in Chiang Mai. Mark wants to do a Masters in Divinity or MDIV which is a three year program. The cost for each semester will be S\$1,880 please pray that we will have enough funds to send Mark to seminary.

Once again we thank you for your support and prayers. Without your help and concern we could not do the work God has given us. May God continue to bless you as you work for Him.
