severe drought at Pang kwai

After Pastor Som chai left, the Shan church has been without a pastor for about a year. During that time pastor Suthep, Vinai and I have been taking turns pastoring to the Shan church. We thank God that about 5 months ago we finally found a new Shan pastor for the Shan Church. The new pastor is

a woman, we call her sa la maa. Please continue to keep this Shan ministry in your prayers so that this community of believers will continue to grow in faith.

In the last 5 months there was a severe drought in Thailand. This drought has heavily affected the villagers of the Pang Kwai and Shan area where we are ministering resulting in a severe shortage of water, one of the worst that has ever occurred in this area. We praise God and thank you for prayers and support that you have provided for the villagers. With your help the villagers were able to find new sources of water and now the water shortage problem has been solved.

New children

This year at the orphanage we have 30 children. We have 4 new girls that have joined us this year. The children's schools have started their new school year for about 2 months now. We thank God that all the children at the orphanage are doing well.

We also thank God that Surachai is now back at the orphanage doing his internship. We are glad that he is back and helping to teach the children many things and setting a good example for the younger ones to follow. Please continue to pray for these children that they will continue to grow and remain in good health.
