During the children's summer vacation from the 28th–30th of March we had a Bible conference and medical mission as well as VBS for the children at the orphanage. We thank God that at the Bible conference there were 7 people who were baptized, 3 of those who were baptized were our children at the orphanage. We ask that you pray for these people who were baptized and that they will continue to grow in faith and continue to learn more about God throughout their lives.

Sura chai has been with us at the orphanage since he was young around 9 or 10 years old. Now Sura chai has graduated from Bible school which is equivalent to a high school diploma. After a year of interning at the orphanage Sura chai wants to continue his education at Bible college because he wants to have more Biblical knowledge. Brothers and sisters in Christ please keep Sura chai in your prayers I hope that in the future if God

is willing Sura chai will become one of our co-worker at the orphanage.

NEWS FROM THE CHURCHES

Preaching at the house of one of the new members of the Pa Sak Christian Church

As you may already know we now have 8 churches that we are overseeing. We praise God that in this year we have one new Lahu church congregation. In this congregation there are a total of 105 members. We will name this 9th church Pa Sak Christian Church. This congregation currently does not have a church building to worship in so they are worshipping at one of the member's house.
