## News from Churches

Abel sharing God's love for all people during thanksgiving at Pa bong Klang church

From the end of September up to November 2023 it is harvest season for members of the churches we serve. Therefore, various churches organize Thanksgiving ceremonies during this time. During these events, the churches also invite non-believers in and around their villages to come and join them as there is plenty of food for them and an opportunity for them to spread the Gospel to the non-believers. Therefore, these thanksgiving celebrations are a good opportunity to spread the Gospel in various villages. This is also a time when my wife and I travel to the different villages to preach the good news of Jesus Christ.

December 2023 is the time we celebrate Christmas, another month of remembrance to God's promise of salvation. The churches again invite all the people in the village to join in the event. Christmas is always a good opportunity to share the true meaning of Christmas. I would like to ask for your prayers for those who have heard the gospel of Jesus Christ that the Holy Spirit will work in their hearts so that they will come to know Jesus Christ.

Sharing the true meaning of Christmas at Sub ta kian village

In January 2024, our forwarding agents Tom and Linda came to visit us and the ministry in Thailand. They visited the churches shared a message and encouraged the villagers. They

also got the chance to stay for about a week at the orphanage with the children and had Bible lessons for the kids.

We thank God for His provision in leading the orphanage up until now. In the past year, naturally good things and bad things have happened at the orphanage. This year two of our older boys have broken school rules. We have warned them many times about breaking school rules but they were still disobedient. Due to this both have been expelled from school and will also need to leave the orphanage as well. On the brighter side this year we will have 5 new children joining us at the orphanage, 3 boys and 2 girls. The total number of children that we have now is 26. Thank God in the past few years the orphanage has provided music lessons to older children. Many older children can now play music. Every Sunday during worship time at church, the children have formed a worship band and lead worship at church.

Adult class at the Bible conference

March 10-13, 2024, a mission team from Singapore came and held a Bible Teaching cum Medical Ministry camp in Mae Gone village. There were about 10 churches with about 120 members who attended the Bible studies. The Bible was taught to both adults and

children. Morning and night Bible teaching In the afternoon, the two doctors used the old church as a clinic to treat people who came to the Bible study and non-christian people in the surrounding area. This medical mission is an excellent way for us to show God's love and mercy to non believers in the area. We would like to thank our brother and sister in Christ from Singapore for the wonderful chance to serve God together once again and in the future that we will together continue to serve Him.
